⁴ Average transport times in working days (Monday to Friday); the day of posting is not included.

URGENT Business

The transport times indicated are for conurbations and business centers, and on condition that the consignment can leave Switzerland on the day of posting (for more information, call 0800 45 45 45).

Maximum weight:

- Europe: up to a maximum of 70 kg per parcel or max. 500 kg as a Multiple Parcel Shipment (MPS) or as cargo
- Rest of the world: up to a maximum of 30 kg per parcel or max. 500 kg as a Multiple Parcel Shipment (MPS) or as cargo
- Consignments over 30 kg can only be collected by TNT Swiss Post GmbH

You can find more information on the aforementioned and other countries by calling Customer Service International on 0800 888 100 or contacting your local branch. The latest information can be found online at: www.swisspost.ch/info-int

Carbon-neutral shipping

Swiss Post sends all domestic letters carbon neutrally and covers the “pro clima” surcharges for offsetting CO₂ emissions.

Parcel consignments can also be posted or collected using carbon-neutral methods. With “pro clima” – Shipment, you pay a low surcharge on top of the basic service price when posting or for your customized shipping solution. Contact your customer advisor for more information on how you can send your consignments carbon neutrally. For more information and prices, visit www.swisspost.ch/carbon-neutral.

Packaging and addressing

Letter mail

Please note the information on addressing and designing letters at www.swisspost.ch/layout-of-letters.

Parcels

Please note the “Sending Swiss-Express and parcel consignments” instructions at www.swisspost.ch/sending-instructions.

Dispobox

Dispobox – the economical and environmentally friendly packaging for sending goods. Swiss Post supplies, delivers, cleans and stores the Dispoboxes. They just need to be filled. Dispobox simplifies the packing, picking and sending process. For more information, visit www.swisspost.ch/dispobox.

PostPac

PostPac packaging ensures that your shipment arrives safely and the recipient will give it their undivided attention. You can purchase PostPac from www.postshop.ch or at your local branch.

Import customs clearance

When importing goods to Switzerland, Swiss Post will do the customs clearance for you. In this process, Swiss Post charges and invoices for taxes, duties and fees on behalf of the Federal Customs Administration and in accordance with the applicable legislation. For more information, visit www.swisspost.ch/customs.

Letters, parcels (Swiss Post and Swiss Post GLS) and EMS import	Price
Basic customs clearance fee zone 1	11.50
Basic customs clearance fee zone 2	16.00
Surcharge on the value of goods	3%
Maximum customs clearance price	70.00

Prices in CHF excl. VAT

Countries of origin: Zone 1: Austria, France, Germany and Italy
Zone 2: other countries

Fees reflecting the labour involved are charged for additional work in the customs clearance process for Swiss Post GLS parcels.

Special items

A unique letter mail design pays off if mail items need to stand out. Varying the external appearance and adding inserts to the consignment are two great ways to surprise the recipient. Special conditions apply to these consignments due to the increased processing requirements. The surcharge for each unsorted consignment is 15 centimes. For more information, visit www.swisspost.ch/layout-of-letters → Special items.

Miscellaneous

Online services in the Swiss Post Customer Center

In the Customer Center, you have a unique login to access your data and several online services that enable the smooth handling of letter, parcel, express and SameDay consignments. You can also find the online services to create the necessary dispatch documents for domestic and international shipping here. For more information, visit www.swisspost.ch/online-services.

Well-addressed items arrive safely

Swiss Post offers an entire service package for updating and cleaning your address database. This helps you to save on costs. For more information, visit www.swisspost.ch/address-maintenance.

Dangerous goods

Consignments containing dangerous items are subject to strict legal restraints. Swiss Post can deliver your dangerous goods safely and quickly nationwide. However as the sender, you must comply with the statutory provisions.

Only dangerous goods specified by the legislator are accepted in the parcel/letter channel. All these dangerous goods require special labelling, correct packaging and payment of a surcharge. We are happy to transport dangerous goods prohibited in the parcel channel as small consignments.

We are available to give you advice:

dangerous.goods@swisspost.ch, tel. +41 848 888 888.

For more information, visit www.swisspost.ch/dangerousgoods.

For international consignments, more information is available in the “Dangerous goods in international mail” factsheet. Alternatively, you can e-mail Customer Service International at international@swisspost.ch or call on 0800 888 100.

More information: www.swisspost.ch

The current General Terms and Conditions of Swiss Post, which constitute an integral part of the agreement, can be viewed at www.swisspost.ch/gtc. In particular cases, Swiss Post can provide customers with a physical version of the GTC on request. The products and services offered by Swiss Post are also described in Swiss Post's most recent published communication material as well as online. The services and prices apply to business customers who maintain a billing relationship or a franking licence for sending parcels. They are also applicable to the Principality of Liechtenstein. We expressly reserve the right to make changes.
